Rezension hilfreich. Fifty Shades of Grey just better Von ShatteredRoses I love this book, I'm not completely done yet but I can't put it down. While I liked Fifty Shades of Grey - okay loved - this book is much better. Just as hot but better grammar and a nicer flow overall. I'd recommend it to anyone who's looking for an interesting mature read. The back of the book really doesn't say much, and it follows the typical, rich guy with a dark secrets meets young naive nobody but due to the good writing of CC Gibbs it's definitely something new. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Intriguing Von reader Dominic Knight: rich, sexy, likes to be in control. Kate Hart: strong, independant, doesn't like being controlled. These two have amazing chemistry, makes for a incredibly hot read! Kate Hart is fresh out of MIT and is in high demand. Interviewing for a position at Knight Enterprises was her dream job until she meets CEO Dominic Knight. There is no doubt he is good looking, but everything about him screams run to Kate. But Dominic is not going to take no for an answer. Kate agrees to come on board as a contracted consultant, a job that has an expiration date. As she begins to unravel the cyber theft of funds from Knight Enterprises, Dominic is ensuring that their paths will cross again. Dominic gets Kate to agree to spend the rest of her time on her work contract -6 days- with him. Their relationship is a back and forth tug of war. I love that Kate holds her own with Dominic. She doesn't roll over, she is independent and Dominic's money has no affect on her. Her sexual appetite is over the top once she discovers what sex is like with Dominic. Somewhere in the 6 days, feelings begin to happen. Kate falls quickly for Dominic but he's in the same boat.. she's afraid he'll never be able to commit and Dominic feels he never will be able to either. So they both run, she back to Boston, he to Paris. Well, it is a trilogie couples always break up at the end of book one. We experience the game of lust, the banter of two strong wills, of 2 charismatic people that are intrigued by one another. One who doesn't compromise but may need to in order to be with the one that doesn't do as she is told. It was such a refreshing read to see some light-hearted moments with a hero that definitely has a darkness to him, but it was not all dreary all the time. The ebb flow of this story was executed perfectly.
